Dear Corporate Supporter Candidate:

Rolling Green Golf Club is honored to host the United States Golf Association and the 116th U.S. Women's Amateur Championship to be held August 1-7, 2016.

Our mission is to provide an outstanding championship experience for the USGA, their officials, competitors, media and spectators while showcasing our area's beauty and economic strength. Together with local and statewide officials, and corporate and individual supporters, we will welcome the USGA and the viewing public to the Delaware Valley in the finest manner possible.

The U.S. Women's Amateur Championship is the premier amateur golf event for women of all ages from around the world. Sectional qualifiers across the United States narrow the field to 156 competitors, who will make their way to Philadelphia accompanied by family members and friends. These players then compete in stroke play over the first two days to determine the 64 players for match play, which will be televised by Fox Sports.

Staging the championship requires a significant amount of support from the local community. Without the funds and in-kind contributions from business and corporations like yours, we would not be able to successfully host the event. Your support is very important and our volunteer marketing committee of business professionals will ensure your championship experience is well planned and executed.

Our fundraising efforts are in partnership with The First Tee of Greater Philadelphia, whose mission and values are centered on providing educational youth programs that build character, instill life-enhancing values, and promote healthy choices through the game of golf. The championship is an opportunity to involve The First Tee with our supporters, and to work with our future golfers.

There are several levels of support with generous benefits, including golf outings at Rolling Green that you may use to entertain guests throughout the coming years. Corporate Supporters will also receive access to the clubhouse and Supporter's Patio during the championship, as well as invitations to the Welcome Party and advertising space in the official program and on the official website.

We look forward to gaining your support of our efforts. Please contact us if you have any questions, would like additional information or would like to structure your support of the 2016 U.S. Women's Amateur.

**116<sup>TH</sup> U.S. WOMEN'S AMATEUR CHAMPIONSHIP – AUGUST 1-7, 2016**
